For large wax areas, we use a wax cartridge system in which we discard the contents after each client. We do not 'double dip' into our wax pots and utilise all disposable spatulas.

We also provide towelettes and a paper g string for all intimate waxing services. We pride ourselves on our cleanliness, we appreciate when you do also.

## Facials

We have a wide range of facials to suit all skin types. From a quick pick me up, to relieving your sensitive skin, to boosting your skins hydration levels. We pride ourselves on delivering a quality treatment with world renowned skin care products.

One hour of indulgence that concentrates on a thorough exfoliation. Includes a face, neck and décolletage massage. Again, we customise all products to suit you and your skin's needs during consultation. With a collagen facial, we place a cloth collagen mask on the skin that is infused with plant collagens and hyaluronic acid that holds its weight x 1000 in water to give your skin a boost of hydration.

Oatmeal facial 60min \$85  
For those with sensitive skin. We use our sensitive product range and calm the skin with a colloidal oatmeal mask which helps combat against environmental and internal stresses. Includes our relaxing facial massage.

Active Resurface treatment 45min \$89  
Either face only, or have your face, neck and décolletage (\$109). Soften fine lines, even out skin texture and tone and minimise the look of your pore size. We use a professional only Dermalogica exfoliation product that contains highly active skin smoothing ingredients. There's no down time and your skin won't flake or peel. We combine this treatment with a mask customised to suit your skin type.
